

To whom it may concern

It is my utmost pleasure and privilege to write this testimonial for Vinayaka Safety Glass.

Security Quotient Pvt Ltd has had a longstanding relationship with Vinayaka Safety Glass over numerous engagements. The qualities that have endeared them to us are deep knowledge of glasses, precise advice that fits our business purposes and budgets, professional delivery and installation coupled with reasonable costs. You can clearly discern the enthusiasm and depth in their services when interacting with their personnel.

Vinayaka Safety Glass is a professional business entity that we trust when it comes to our glass-related requirements.

I wish them continued success in the future under the able leadership of Mr. Satish Nair.

Yours sincerely

Anup Narayanan
